

# CHICAGO YACHT CLUB RACE TO MACKINAC 2025

## **NoR AMENDMENT No 1**

### **AMENDMENT 1 TO THE NoR**

NOR 5.3.1 is amended to add the words “using the Coastal FKR” at the end of the first paragraph, effective March 26, 2025.

5.3.1 in its entirety now reads:

The minimum stability index required is 103.  
Boats with moveable or variable ballast shall additionally comply with Appendix K of US Sailing’s Safety Equipment Requirements, using the Coastal FKR.

For certificates without a published stability index, the TC will evaluate alternative means of compliance and contact the boats should additional information be required.
