

Fleet Notice # 2 - Medical Advisory Services

Mar 11, 2026

New for 2026, Medical Advice Services during the race will be provided by George Washington Maritime Medical Access (**GWMMA**) GWMMA have [prepared a Communication and Protocols Manual](#) to help crews manage trauma, seasickness, and sunburn and to prepare for critical emergencies like heart attacks, asthma, or severe allergic reactions. This manual is valuable reading for any offshore crew. It's packed with advice, sample equipment lists, and information checklists to help you be ready when it matters most.

We have posted recommended actions for PICs/RPICs and Medical Officers on our website, [please review these in detail](#). This also includes details on other optional services from GWMMA.

We will host GWMMA on April 13th 6pm for a live webinar on their services, best practices for preparing, and what to do in an emergency on our YouTube Channel (<https://www.youtube.com/watch?v=Yg8tybWRZEI>) All PICs/ RPICs and Medical Officers should plan to attend or watch this presentation. Questions will be taken via the chat.
