

**The LOOR LO300 needs
your help to the combined
Finish/Post-race Check-in
Sunday evening to Tuesday Evening**

The LO300 Finish/Post-race Check-in is planned for:

2000 EDT, Sunday, July 12, 2026, to 2259 EDT, Tuesday, July 14, 2026, in four-hour shifts of two or three.

As in the past, the initial or final shifts may be cancelled depending on the winds.

Details will be emailed out before the event. A warning of several hours will be given if shifts are cancelled.

As we are using YB Tracking and Nautical Cloud to automatically capture and post the finish times, we are combining the Finish/Post-race Check-in activities inside the PCYC Club House. No worries about inclement weather or a potential heat wave.

As before, LOOR is providing refreshments.

To improve privacy of volunteers, we are testing a signup application that reduces exposure of personal information. Details on using it are below.

We would appreciate it if you could help us this year and hope to see you at LO300.

If you know of individuals who might be interested in helping, please pass this along to them.

The LOOR LO300 Team.
